Hello, how are you these days?  
I guess you're doing well  
I guess I'm curious, boy

Hello  
Don't you miss me?  
Even if it's not as much  
As me missing you

You said that you wouldn't regret  
With such confidence  
Lies, stop lying  
You need me you need me

If I were to be honest  
I'm still waiting for you  
As I'm trapped alone in my room  
I remember

I miss you but why aren't you coming  
Home home  
Words you used to say when you called  
Home home

I'm coming home  
Coming home yeah  
I'll run to you  
I'm coming home  
All alone  
But now I'm all alone

I know  
That I'm being a fool  
I know but I can't help it  
Lies, it isn't a lie  
Believe me believe me yeah

The future we dreamed of  
I hope you don't forget either  
As I'm trapped alone in my room  
I remember

I miss you but why aren't you coming  
Home home  
Words you used to say when you called  
Home home

I'm coming home  
Coming home yeah  
I'll run to you  
I'm coming home  
All alone  
But now I'm all alone

No matter how much I look around  
There isn't another guy like you  
You used to hold my hand so tightly  
Don't let go of it

I used to say I wouldn't regret  
Don't look back  
And just let go  
So confidently  
I don't want to be alone  
I'm such a fool  
But I can't help it  
You're my man, you hold onto me

I'm forever your girl  
Yes tell me honestly  
You still want me too  
Don't be shy  
I miss you too so  
Come closer  
We break up to make up  
I wake up and hate  
That you gone for so long  
No matter how much you look around  
There isn't another girl like me  
You need me come home

I miss you but why aren't you coming  
Home home  
It's time you come home but why aren't you coming  
Home home  
(Why aren't you coming babe)

Where are you, where are you yeah  
I'll run to you  
Where are you, I'm alone  
Our happy home
