

I'll Be Ok

Ailee

We're slowly going nowhere sinking low low low
I'm Sorry sorry I will leave Let me go

It's time to go hit the road
Leave me alone Leave me alone
It's time to go hit the road
Leave me alone Leave me alone go pack your things and get gone

You really don't show emotions, you think I'm bothersome
I did my everything
You said you were busy yesterday, tired today so see me tomorrow

Can you tell me why?
Because of how careless you are I'm really frustrated frustrated frustrated
Every word lie lie lie
It's boring, don't want to hear, stop

Boy I'll be OK!! You can leave me
Why you like this now
What are you saying while crying like a dumb?
Don't play in front of me, I'm sick of it

Don't worry go~ I'll be OK! I will let you go
Because I don't need your love no more
Because of you, my heart is frozen
Go over there go away, go over there boy go home

We're slowly going nowhere sinking low low low
I'm Sorry sorry I will leave Let me go

Girl you and I our relationship
No matter how deeply thinking, I think it's too delayed to break up (I think
)
Goodbye goodbye.. (no, I won't cry)
Don't worry, go your way but don't come back when you regret (on and on and
on)

Can you tell me why?
Tell me first what I did so wrong tell me tell me tell me
Since from today bye bye bye
Even I miss you, I won't see you no more

Boy I'll be OK!! You can leave me
Why you like this now
What are you saying while crying like a dumb?
Don't play in front of me, I'm sick of it

Don't worry go~ I'll be OK! I will let you go
Because I don't need your love no more
Because of you, my heart is frozen
Go over there go away, go over there boy go home

Keep looking forward, don't look back Turn around don't don't you Turn around
d
Don't look for me crying Turn around (go oh..) boy don't you turn around

Boy I'll be OK you can leave now

Be with her
Don't hide from me like dumb
And meet up with her, we aren't nothing

Don't worry go I'll be OK! I will let you go
Because I don't need your love no more
Because of you, my heart is frozen
Go over there go away, go over there boy go home
