

Illusion

Ailee

I can't feel a thing
But I don't give a damn no more
I can't see a win in
Digging for gold, 24k, nah
I don't need no love
To be complete in any way
I know I'm enough, so
I'm gonna go, pick up the pace, yeah

No, I cannot afford it
I think I lost my patience
Just keep on, keep on pouring
No luck is gonna save me
Emotions unimportant
No, I'm no longer chasing
Oh-no-no-no, oh-no-no-no (Forget that)

Say love, love's an illusion
Say love, love is confusing
Say love, love is a losing game
Don't need that, don't need that
Baby, I'm numb
Say love, love's an illusion
Say love, love is confusing
Say love, love is a losing game
Don't need that, don't need that
Baby, I'm numb

Been there done that
I've been here before, yeah
Déjà vu, what am I looking for? Yeah
They always saying that they're saying there is more, yeah
But I don't believe them, no
I don't believe them, no
Who knows where the wind will take me now
Will I ever make it out?
Who knows?
Oh, who knows, cause I

No, I cannot afford it
I think I lost my patience
Just keep on, keep on pouring
No luck is gonna save me
Emotions unimportant
No, I'm no longer chasing
Oh-no-no-no, oh-no-no-no (Forget that)

Say love, love's an illusion
Say love, love is confusing
Say love, love is a losing game
Don't need that, don't need that
Baby, I'm numb
Say love, love's an illusion
Say love, love is confusing
Say love, love is a losing game
Don't need that, don't need that
Baby, I'm numb

I can't feel a thing
But I don't give a damn no more
I can't see a win in
Digging for gold, 24k, nah
I don't need no love
To be complete in any way
I know I'm enough, so
