Oh baby Johnny  
Why don't you know my heart  
I'm the only one hurting  
Oh baby Johnny  
I love you so much  
But I don't know  
Why did you leave me?

I'm alone on a dark street  
Drawing you out, getting drunk  
I start calling people  
Asking why this happened as I regret every day

(I love you thank you)  
And I'm sorry  
(I need you baby)  
I want you  
(I love you thank you)  
Please come back  
I can't forget you, I can't  
Don't escape from me

Oh baby Johnny  
Why don't you know my heart  
I'm the only one hurting  
Oh baby Johnny  
I love you so much  
But I don't know  
Why did you leave me?

Oh baby Johnny  
I'm so lonely tonight  
Oh baby Johnny  
I'm so scared tonight

I thought a lot (all night)  
Why did we become like this (I don't know)  
I loved you so much (until always)  
We shouldn't have broken up

(I love you thank you)  
And I'm sorry  
(I need you baby)  
I want you  
(I love you thank you)  
Please come back  
I can't forget you, I can't  
Don't escape from me

Oh baby Johnny  
Why don't you know my heart  
I'm the only one hurting  
Oh baby Johnny  
I love you so much  
But I don't know  
Why did you leave me?

Oh baby Johnny  
I'm so lonely tonight  
Oh baby Johnny  
I'm so scared tonight

On this deep night  
Only tears fall  
This deep love  
Because of you, I can't live through the days
