Where did it start to go wrong oh god  
Even when I meet you I didn't laugh  
I'm suffocated  
As time goes  
Doubt and obsession grow more  
Actually I'm anxious  
It's better that you're gone

Please be a little more honest  
Your growing lies  
Your memorized excuse  
Your bold story

Erase the memories inside that left  
Forget the stupid me who believed you  
No not another word  
Don't hold on to me anymore

I'm letting go letting go  
Don't say no cause I'm letting go  
Don't tell me I don't know  
(Don't tell me I don't know)  
Don't tell me I don't know  
(Don't tell me I don't know)  
I'm letting go letting go  
Raise two hands and two feet and I'm letting go  
Don't tell me I don't know  
(Don't tell me I don't know)  
Don't tell me I don't know  
(Don't tell me I don't know)

Cause you don't

Oh oh (actin like you right)  
Oh oh (our dreams gone tonight)  
You who got two faces  
You who changes so much  
Cause you don't

Your obvious story  
Protect your silent mouth  
Avoid my gaze, focus to the ground  
Your trembling eyes  
Rather than any words, louder to me  
Tell me what I believed

Your changes appearance  
All memories came  
In the end they become despair  
And changes into regret  
My tears is not you  
Because I hate the past me  
Get your disgusting hands off of me  
I totally hate you

Please be a little more honest  
I'm tired of your lies  
Now I see you  
Your bold story

I've done everything I can  
But you're never satisfied  
This show has been so long  
It's time to be sick of it  
My times, effort, the useless hurt  
The fluttering unexpectedly strong  
Together with farewell, black out

I'm letting go letting go  
Don't say no cause I'm letting go  
Don't tell me I don't know  
(Don't tell me I don't know)  
Don't tell me I don't know  
(Don't tell me I don't know)  
I'm letting go letting go  
Raise two hands and two feet and I'm letting go  
Don't tell me I don't know  
(Don't tell me I don't know)  
Don't tell me I don't know  
(Don't tell me I don't know)  
Cause you don't

The things like pride don't put it to me  
You have been a loser till the end  
Our happy memories  
Now end the unfunny show

I won't regret anymore  
Cause all I have it my faith in me

I'm letting go letting go  
Don't say no cause I'm letting go  
Don't tell me I don't know  
(Don't tell me I don't know)

Don't tell me I don't know  
(Don't tell me I don't know)  
I'm letting go letting go  
Raise two hands and two feet and I'm letting go  
Don't tell me I don't know  
(Don't tell me I don't know)  
Don't tell me I don't know  
(Don't tell me I don't know)  
Cause you don't

Oh oh (actin like you right)  
Oh oh (our dreams gone tonight)  
I have no regret  
I will forget like this
