I was out of it because of your gentleness  
Because of your sweetness, because of your lies

My dream changed - instead of a famous singer  
I tried to become a good wife  
I was such a fool, I was such a fool

My singing got better after breaking up with you  
After living crazily with music, all of the song lyrics  
Seemed like my story so I sang them to death  
Little by little, slowly, my tears dried

I couldn't see ahead, it was so hard  
I cursed a lot and ruined my insides from drinking

It's all over now, after I losing you  
I earned a bigger hope  
It's really really so fortunate, it's really so fortunate

My singing got better after breaking up with you  
After living crazily with music, all of the song lyrics  
Seemed like my story so I sang them to death  
Little by little, slowly, my tears dried

Some day, you will probably call me  
Then I hope you will be a man and congratulate me

Because this is all thanks to you  
I'll prepare a good thank you message for you

My singing got better after breaking up with you  
After living crazily with music, all of the song lyrics  
Seemed like my story so I sang them to death  
Little by little, slowly, my tears dried  
Slowly, I got over you like that
