

Sweater

Ailee

Wish I had worn something warmer
'Cause, baby, it's cold out in the snow
It doesn't feel like Christmas when you're not here with me
Doesn't feel like home when I'm here alone

Wish I was laying on your shoulder
Imagine me wrapped up in your arms
It doesn't feel like Christmas, no, without you by my side
Even though we're miles apart
I'll keep you in my heart

And I'll wear your Christmas sweater on me tonight
Let it keep me warm, I'll be wrapped up tight
So no matter where you go
A little piece of you is close
I'll wear your Christmas sweater always

Remembering back to last December
Feels like it was just yesterday
Every stitch is like a little piece of history
Even though we're miles apart
I'll still keep you in my heart

And I'll wear your Christmas sweater on me tonight
Let it keep me warm, I'll be wrapped up tight
So no matter where you go
A little piece of you is close
I'll wear your Christmas sweater always

Stitch by stitch, oh
Inch by inch, oh
Feeling close to you, after all that we've been through
Thread by thread, you
Wrap me up in red
Someday you'll be here, but until then, now

I'll wear your Christmas sweater on me tonight
Let it keep me warm, I'll be wrapped up tight
So no matter where you go
A little piece of you is close
This old sweater feels so soft
And I'll never take it off so I'll

Wear your Christmas sweater from '92
Love the way it looks and still smells like you all day
So whenever you're away
I'll wear your Christmas sweater
I'll wear your Christmas sweater always
