

# I'm Here

Aimee Allen

Don't talk anymore  
We've been through this before  
My head is in my hands  
I've tried but you will never understand

But even though I have to let you go,  
Before I leave I need for you to know  
That I'm here, always here  
Here, always here  
Though you'll never see me,  
Baby, please believe I am here

I'll miss your face  
Waking up to you each day  
I'm going home  
My baby you'll go face this world on your own

Even though I have to let you go,  
Before I leave I need for you to know  
That I'm here, always here  
Here, always here  
No, you'll never see me,  
Baby, please believe I am here

Always here, never gone  
La la la la la la  
La la la la la la  
La la la la la la  
Never gone  
La la la la la la  
La la la la la la

Now don't come to my door  
I don't have what you are looking for  
Sad, you lost your mind  
We keep going through the same things everytime

I'm here, always here  
Here, always here  
So goodbye, I won't forget you dear  
I am here, always here  
Never gone

La da da da da da  
La da da da da da  
Never gone, never really gone  
La da da da da da  
Never gone  
La da da da da da  
La da da da da da  
No, no, never gone  
La da da da da da  
La da da da  
Never ever, never ever ever  
Never ever ever gone  
Never ever ever  
Never ever ever

Never ever ever gone  
Never ever ever  
Never ever ever  
Never ever ever gone  
Never ever ever  
Never ever ever  
Never ever ever gone
