

On Vacation

Aimee Allen

Ummm...
You think I'm sad
Think I'm blue
Now, that I'm no longer with you
I'm on vacation, far away
And nothing you could say could ever change my mind

Everything is good
Now that you are gone
I'm dancing with my records on
I don't cry about you any more
I'm so much better than I was before
Well everything is cool
Everything is fine
I'm smiling now all the time
I got no worries any more
I got no worries, no more

I'm at the beach, sand on my feet
Checking out all of the boys I could meet
I'm on vacation far away
And nothing you could say could ever change my mind
Everthing is good
Now that you are gone
I'm dancing with my records on
I don't cry about you any more
I'm so much better than I was before
Well everything is cool
Everything is fine
I'm smiling now all the time
I got no worries any more
I got no worries, no more

I'm feeling good(I'm feeling good)
Now that you are gone(Now that you are gone)
I'm dancing(I'm dancing)with my records on(with my records on)
I'm cool, (you're cool)
I'm fine(you're fine)
I'm smiling(you're smiling)all the time(all the time)
All the time(all the time)
All the time(all the time)
Yeah, yeah, ummm...

Everthing is good
Now that you are gone
I'm dancing with my records on
I don't cry about you any more
I'm so much better than I was before
Everything is cool
Everything is fine
I'm smiling now all the time
I got no worries any more
I got no worries, no more
