Save Me

Aimee Allen

Had a bad day, don't talk to me
Gonna ride this out
My little black heart breaks apart
With your big mouth

And I'm sick of my sickness
Don't touch me, you'll get this
I'm useless, lazy
Perverted and you hate me

You can't save me
You can't change me
Well, I'm waiting here for my wake up call
And everything, everything is my fault

Went to the doctor, and I asked her
To make this stop
Got medication, a new addiction
F**k, Thanks a lot

Had a relapse, I'm bad at rehabs
Ruins everything
So point your finger at the singer
He's in the pharmacy

You can't save me
You can't change me
Well, I'm waiting here for my wake up call
And everything, everything is my fault
You can't save me
You can't change me
Well, I'm waiting here to take the fall
And everything, everything is my fault

And I'm a death treat, haven't slept yet
Baby, why the wake up call?
I'm the bad boy, tell the tabloids
Everything's my fault

Yeah, write it, write it
Everything's my fault
Everything's my fault

I went to Heaven but couldn't get in
For what I have done
I said, 'Please take me', they said 'You're crazy'
You had too much fun

You can't save me
You can't change me
Well, I'm waiting here for my wake up call
And everything, everything is my fault

You can't save me
You can't change me
Well, I'm waiting here to take the fall
And everything, everything is my fault
