# Falling Alone

**Aimer**

Fukaku fukaku ochite yuku
Hitotsu futatsu kiete yuku
Mou koko ni wa modorenai

Namida ga hoho wo tsutau seba matta sekai
Nijinde mieta keshiki ga aoku mieru

Kareochita itsuwari no dreaming
I'm falling alone
Kizutsuita kono hane wa anata ga nuiawaseta
Nigirishimetate hanasanaide karamase tsuyoku
Mata ikite yuku kimi to

You're inside my nights
Still feel lost inside your eyes
Try to hold on tight
But you're long gone

Lie in bed and dream of sleep
Cause nothing's right with me
Under sheets I'm wondering
Will this be the end?

Kareochita itsuwari no dreaming i'm falling alone
Kizutsuita kono hane wa anata ga nuiawaseta
Nigirishimeta te hanasanaide karamase tsuyoku
Mata ikite yuku kimi to

Hagareochita itsuwari no dreaming I'm falling alone
Kizutsuku koto ni sae ima wa mou nareta boku
Nobashita kono te karamasete hageshiku
Soshite mata fumidaseru yo kitto
