

Higher Ground

Aimer

Here I am again
Wandering
What road will take me where

I'm not turning back
Not this time
How high can I go?
I'm not coming down
Don't know why, don't know why
Don't know what's begun

I will find my higher ground
So close I could touch a star
Oh so long, oh so long
So long left to go

Searching for my higher ground
If I fall, please catch me now
I know it's alright
Here with you
Here with you

Here I am again
Wandering
What road will take me where

Modorenai yoru ya hibi ni
How high can I go?
Sugarenai nara
Don't know why, don't know why
Don't know what's begun

Akogare to higher ground
Soko ni imi wa nakutemo
Oh so long, oh so long
So long left to go

Te o nobashita higher ground
Ima wa todokanakutemo
I know it's alright
Here with you
Here with you
(Oh so long, oh so long)
(Oh so long, oh so long)

I will find my higher ground
So close I could touch a star
Oh so long, oh so long
So long left to go

Searching for my higher ground
If I fall, please catch me now
I know it's alright
