Mata kioku wo tsukisasu yaketa nioi
Mou kokyuu mo dekinai

Memai ga suru youna kuroi taiyou
Ikitsugi no itami wo

Kiri kizande around the way
Kioku wo keshite feel my fear
Sugari tsuita and I'm dead
Furi hodoite insane dream

Tell me what you want me to believe
I can't see you, I can't feel you

Tada yurushi wo motomete nagasu negai
Mada kodou wa taenai

Shikai wo nakushita akai mabuta yo
Sandome no inori wo

Kiri kizande around the way
Kioku wo keshite feel my fear
Sugari tsuita and I'm dead
Furi hodoite insane dream

Kiri kizande around the way
Kioku wo keshite feel my fear
Sugari tsuita and I'm dead
Furi hodoite insane dream

Kiri kizande around the way
Kioku wo keshite feel my fear
Sugari tsuita and I'm dead
Furi hodoite insane dream

Tell me what you want me to believe
I can't see you, I can't feel you
