You're not flavor of loser
No longer
Faker or ruler?
In the mirror, you wonder

Tooitadasu haichuuritsu no imi
Fukagyaku shiki no risou wa mujou de
Itsumo fallacy

You break up
Sono kabe wo
Sono sora wo
Sono ZERO wo

Tsunagu ribaasu furihodoite
And wake up
Kono koe ga
Kono oto ga
Kono uta ga

Kimi no riaru kizameta no nara
It's not over
You feel numb

Kyuufu wo mau

Tooitadasu haichuuritsu no imi
Fukagyaku shiki no risou wa mujou de
Itsumo fallacy

It's not fallacy

You break up
Sono shiro wo
Sono kuro wo
Sono ZERO wo

Tsunagu ribaasu furihodoite
And wake up
Kono koe ga
Kono ude ga
Kono yume ga
Kimi no riaru kizameta no nara
