

Call of the Warlock

Air Raid

The sun is down
Horizon's black
No wind, no sound
To warn of attack

Then came the shouts
The woods lay near
Run for your lives
The deceiver's here

Oathbreaker
It's your turn
Tear down these walls

Spiritcaller
Face me now
The final curtain will fall

Earth to earth
Ash to ash
Dust to dust
Pray for our souls

Eye for an eye
Here we stand
Hear the call
Of the warlock

Must burn the witch
That doomed us all
No mercy for you
Who makes flesh crawl

Strike down them all
Slay or be slain
The moon is red
Reflects the pain

Oathbreaker
Hear my name
My wrath shall descend

Spiritcaller, fear me now
Your time will come to an end

Earth to earth
Ash to ash
Dust to dust
Pray for our souls

Eye for an eye
Here we stand
Hear the call
Of the warlock

Earth to earth
Ash to ash

Dust to dust
Pray for our souls

Eye for an eye
Here we stand
Hear the call

Repeat chorus
