

Always

Air Supply

I can see hills touch the sky
Heaven and earth, you and I
A world we will always be
Here in the silence we lie
Shadows we cast, you and I
Speak for eternity

Pressed between pages
Flowers will die
Stories may end as time passes by
You and I will always be
With every word that I hear
Whenever whispers are near
I can believe in fate
Promises made, only one
Yesterday fades from the sun
And falls to a new embrace
Years overflow
As rivers run dry
Here in a moment of time passing by
You and I will always be, will always be

Pressed between pages
Flowers will die
Stories may end as time passes by
You and I will always be
With every word that I hear
Whenever whispers are near
I can believe in fate
Promises made, only one
Yesterday fades from the sun
And falls to a new embrace
Years overflow
As rivers run dry
Here in a moment of time passing by
You and I will always be, will always be
