

## Now and Forever

Air Supply

When love is new  
And the world is out reaching for you  
We try hard to hold it all  
In our hands  
But it slips through  
Like soft drifting sands  
But drying the tears  
Can build it all like new

Now and forever  
Remember the words  
From my heart will always be true  
Now and forever  
Together and all that I feel  
Here's my love for you

Learning each day  
That the right time was so far away  
To tell you the things I knew  
Now it's clear  
That the moment  
We searched for is here  
And counting the years  
Is all I want to do

Now and forever  
Remember the words  
From my heart will always be true  
Now and forever  
Together and all that I feel  
Here's my love for you

Hold me as close  
As love will allow  
Until all your fears are gone  
What has all passed  
Is over now  
I'm here with you  
I'm here with you  
I'm holding on  
I'm holding on  
Is my love for you

Now and forever  
Remember the words  
From my heart will always be true  
Now and forever  
Together and all that I feel  
Here's my love for you
