

Sanctuary

Air Supply

Once, did you want to belong
To somewhere and someone
And would it be never ending
All, all that I thought I knew
Has all come down to you
And on your heart I'm depending

Please, won't you come with me
I want you to see

Now, it's not hard to say
Will you run away
Or will you find what you wanted
All, all that my senses take
Each moment I'm awake
You were all that I wanted

Please, won't you come with me
I want you to be

Sanctuary, my sanctuary
A silhouette that's made of flesh and bone
A shade of love behind this wall of stone
Sanctuary, my sanctuary
Where anything but love is overthrown
It's just a place where we can be alone

Can you say, I heard you say
That I'm the one who loves you
This is where I long to stay
I want to hold you now
To remember how it feels
When there's nothing in between
So beautiful, so beautiful

Sanctuary, my sanctuary
A silhouette that's made of flesh and bone
A shade of love behind this wall of stone
Sanctuary, my sanctuary
Where anything but love is overthrown
It's just a place where we can be alone

Sanctuary, our sanctuary...
It's just a place, it's just a place...

Sanctuary, our sanctuary...
