

The Way I Feel

Air Supply

Sometimes when I just can't sleep
And you're on my mind and
I'm hurting deep
At night, when the sun goes down
And the lights turn on and
you're not around

I've been this way before
But it wasn't real
This time I'm sure
It's the way I feel

I dream when I call your name
And I'm in a place that
I can't explain
And everything you see I can't conceal
It's the way that it is
It's the way that I feel

I've been this way before
But it wasn't real
This time I'm sure
It's the way I feel
This time I'm sure
It's the way I feel

It's the way I feel
It's the way I feel
It's the way I feel
