Two Less Lonely People in the World

Air Supply

I was down my dreams were wearing thin When you're lost where do you begin My heart always seemed to drift from day to day Looking for the love that never came my way

Then you smiled and I reached out to you I could tell you were lonely too
One look then it all began for you and me
The moment that we touched I knew that there would be

Two less lonely people in the world
And it's gonna be fine
Out of all the people in the world
I just can't believe you're mine
In my life where everything was wrong
Something finally went right
Now there's two less lonely people
In the world tonight

Just to think what I might have missed Looking back how did I exist I dreamed, still I never thought I'd come this far But miracles come true, I know 'cause here we are

Two less lonely people in the world
And it's gonna be fine
Out of all the people in the world
I just can't believe you're mine
In my life where everything was wrong
Something finally went right
Now there's two less lonely people
In the world tonight

Tonight I fell in love with you And all the things I never knew Seemed to come to me somehow Baby, love is here and now there's

Two less lonely people in the world
And it's gonna be fine
Out of all the people in the world
I just can't believe you're mine
In my life where everything was wrong
Something finally went right
Now there's two less lonely people
In the world tonight
