Someone's cryin'
I'd be lying if I told you this was cake
But we don't need that bellyaching, no
Cause we'll be thanking
Our lucky stars we made it through another day
Let's batten down the hatches right away

No one wants to hear you scream
No one wants to hear you cry
Everything works out
100% of the time

Hold on tight love
We'll be all right if you just have a little faith
In you, in me, in something greater
Have we ever
Not survived the weather?
Most of us wake up
Tomorrow we can fix the place up

No one wants to hear you scream
No one wants to hear you cry
Everything works out
100% of the time

Yeah no one wants to hear you scream
No one wants to hear you cry
Everything works out
100% of the time

Light a candle
Don't fly off the handle
Cause when it rains it pours
You will get wet
Go ahead now
Be upset now
Cause that makes sense
But don't forget

There's a time for
Stomping on the floor
And letting off some steam
And saying things that you don't mean

No one wants to hear you scream
No one wants to hear you cry
Cause everything works out
100% of the time

Yeah no one wants to hear you scream
No one wants to hear you cry
Everything works out
100% of the time
