

Book Smart

Air Traffic Controller

You say you've been left broken
So you stick to what you know
But you only know how to run away
And I don't want to let you go

Why don't you get out of your head and
Why don't you get into my bed
Why don't you get out of your head, oh
Why don't you get it
Don't be so be so, be so book smart
Get a read on my heart
Don't be so be so, be so book smart
Get a read on my heart

I was never really good at explaining
But I know what I need to know
You think you see how the whole thing ends
But I'm not gonna let you go

Why don't you get out of your head and
Why don't you get into my bed
Why don't you get out of your head, oh
Why don't you get it
Don't be so be so, be so book smart
Get a read on my heart
Don't be so be so, be so book smart
Get a read on my heart
Get a read on my heart

Why don't you get out of your head and
Why don't you get into my bed
Why don't you get out of your head, oh
Why don't you get it

Why don't you get it
Get a read on my heart
Don't be so be so, be so book smart
Get a read on my heart
Don't be so book smart
Get a read on my heart

Get a read on my heart
