

# God Has A Plan

## Air Traffic Controller

Does god have a plan for me?  
He doesn't want me underwater trapped inside a submarine  
He wants me flying high above the trees  
He wants me up in front of crowds singing songs of freedom

I don't know what he thinks of me  
Living life this way, honestly  
I could try to do more but I don't wanna fake it  
I would rather shake it, and run around naked

Does god have a plan for me  
And do I have to go to church or can I watch it on TV?  
Why do we talk about him when we sneeze  
And why is everybody praying only when they need things?

I'm not sure what's in store for me  
But I'm pretty sure that I don't have to wait around to see  
Do I live this dream or save it for my next life?  
I should drive a fast car, I could have a sex life

I'm not sure should I ignore these things  
Should I figure out my fate before it brings me forward  
Into my life unknown, unlived, untold, unsung?  
I've grown so much, so far, so good, without my life yet unders  
tood

Does god have a plan for me?  
Does god have a plan for me?
