

Pick Me Up

Air Traffic Controller

Never gonna find a friend
Acting like this
I'm so miserable
I'm so miserable

Never gonna move ahead
Living in the past
I'm so miserable
I'm so miserable

I've been, feeling down
Not much that I can do to keep anyone around
I'm so miserable
I'm so miserable

Pick me up
Pick me up

Why'd she gotta look my way
With those bright eyes
She's incredible
She's incredible

What am I gonna say
And how might she reply
She's incredible
She's incredible

She is a girl, I could impress
If I could just refrain from behavin' like this
She's incredible
She's incredible

Pick me up
Pick me up

Putting down this guitar
Gonna say hello
Just get comfortable
Just get comfortable

I'm a fellow with a broken heart
And now she knows
Just get comfortable
Just get comfortable

Take a seat, grab a drink
Try not to give a fuck what anybody thinks
Just get comfortable
Just get comfortable

Pick me up
Pick me up
Pick me up
Pick me up
