

Sometimes

Air Traffic Controller

Sometimes the best thing you can do is not a damn thing
Sometimes it's easier if you just let the phone ring
I hope that time can heal the wounds
You know I never meant to hurt you

I need to make it right
But this is not a good time
I know it sounds so selfish
I wish that I could help it
I'm not that kind of guy
It's just that this is not...

Good times always outlive the bad if you just let them
If you count all the things you never had you'll never get them
Grass always greener on that side
You'll never know unless you try

I need to make it right
But this is not a good time
I know it sounds so selfish
I wish that I could help it
I'm not that kind of guy
It's just that this is not a good time

Sometimes the best thing you can do is not a damn thing
Sometimes it's easier if you just let the phone ring
I hope that time can heal the wounds
You know I never meant to hurt you

I need to make it right
But this is not a good time
I know it sounds so selfish
I wish that I could help it
I'm not that kind of guy
She's falling out of love
Ain't nothing I can do 'bout it
I've got to let her go
But I don't want to know
How it feels to be alone
It's just that this is not a good time
No this is not a good time
No this is not a good time
No this is not a good time
