

Test 1, 2

Air Traffic Controller

This is just a test, a test to see if we can make it last
We never had to separate for such a long time, you and I
I'm talkin' 'bout a test and I'm hoping that we don't get too depressed
'Cause what if one of us becomes a total mess from all the loneliness

It's just a test, test 1, 2, 3, baby I'm missin' you
Tell me are you missin' me?
Cause it hasn't been a long time
Girl, I already wish you were by my side

This is just a test where I'm finding out
Just how much happiness
Is missing from my life
When I don't have you next to me, every day of the week
Cause honey you're the best, and I'm sorry if I had to take test
But I'm finally getting' all of this off of my chest
What I already knew, more or less

It's just a test, test 1, 2, 3, baby I'm missin' you
Tell me are you missin' me?
Cause it hasn't been a long time
Girl, I already wish you were by my side
It's just a test, test 1, 2, 3, baby I'm missin' you
Tell me are you missin' me?
Cause it hasn't been a long time
Girl, I already wish you were by my side

Driving on a highway under the gray clouds
Sky opens up to blue
And I wonder if you can see it too
Sun peeking out ahead of us
Gonna help us find our way
Out of the gray, out of the rain
What do you say?

This is just a test, a test to see if we can make it last
We never had to separate for such a long time, you and I
I'm talkin' 'bout a test and I'm hoping that we don't get too depressed
'Cause what if one of us becomes a total mess from all the loneliness

It's just a test, test 1, 2, 3, baby I'm missin' you
Tell me are you missin' me?
It's just a test, test 1, 2, 3, baby I'm missin' you
Tell me are you missin' me?
Cause it hasn't been a long time
Girl, I already wish you were by my side
It's just a test, test 1, 2, 3, baby I'm missin' you
Tell me are you missin' me?
It's just a test, test 1, 2, 3, baby I'm missin' you

...

Whoa, things they will get better

You just calm yourself
I'll be here with you, you don't need anybody else
I can make you happy, honey you can do the same
When everything goes wrong we can find someone else to blame

It's just a test, test 1, 2, 3, baby, it's just a test
