

## The Work

### Air Traffic Controller

Try to be perfect but I'm not  
In this line of work that's all you've got to be  
So many details that we need to oversee  
Climbing and then descending rapidly

Oh the work, it's just so hard  
I heard someone say "Do or do not"  
There is no try  
People could die

Hey boy, we got ourselves a situation  
Without the money and the paid vacation  
Ain't no way you can survive  
Hey boy, you take this ticket to the station  
Cut off your friends and all your family relations  
You might make it out alive

Oh the work, it's just so hard  
I heard somebody say "Do or do not"  
There is no try  
People could die
