

Bottom of the Well

Airbourne

H **D**
I gotta get out I gotta break free
E **A**
Ain't gonna live in misery
H **D**
My minds made up I'm leaving today
E **A**
Come hell or high water I'm will break these chains
H **D**
Gonna scratch my way, claw my way,
E **A**
Dig my way, back to the top
H **D**
Cause I never say die, I never give in
E **A** **E**
I never stop giving it all that I got
F# **E** **A**
I'm breaking out of hell

D **A** **H** **D** **E** **A** **H**
From the bottom of the well
D **A** **H** **D** **E** **A** **H**
It's a long way down
D **A** **H** **D** **E** **A** **H**
From the bottom of the well
D **A** **H** **D** **E** **A** **H**
I gotta get out

From the bottom of the well

Riff..

It's so dark and cold down here
I'm all alone but I got no fear
Cause I Have the will to beat this fate
And get back up to the light of day
Gonna scratch my way, claw my way,
Cause I never say die, I never give in
I never stop giving it all that I got
I'm breaking out of hell

Ref.

From the bottom of the well
It's a long way down
From the bottom of the well
I gotta get out

D **E** **A** **H**
Diggin and clawing and scratching and kicking my way
D **E** **A** **H**
Back to the top I will fight for the light of day
H
Gonna finde the way yeah
D **E** **A** **H**
Yeah..

Solo..

Riff..

I made a death wish and it came true
I'm under water black and blue
But if you think I'm done you better think again
You better think again cause I don't know the meaning of death

I'm gonna scratch my way, claw my way
Never stop givin it all that I got
I'm breaking out of hell
I'm breaking out of hell

From the bottom of the well
It's a long way down
From the bottom of the well
I gotta get out

F# E A
I'm breaking out of hell
