

Diamond in the Rough

Airbourne

I had a dollar in my pocket
And dirt on my hands
She was a rich man's daughter
Who didn't give a damn

She had all the boys talkin'
With her fancy cat walkin'
But it was me who took her home
And gave her bed a good rockin', oh yeah

'Cause at the end of the day
Honey, when it's all said and done
I can't get enough of that diamond in the rough
I can't get enough of your diamond in the rough

Early next morning
I woke naked and beat
And as the sun was rising
She was lookin' like a treat

I stuck my finger in the honey
Threw my dollar in the well
And when I made my wish
You know it was clear as a bell

That at the end of the day
Honey, when it's all said and done
I can't get enough of that diamond in the rough
I can't get enough of your diamond in the rough

I can't get enough of that diamond in the rough
I can't get enough of that diamond in the rough
I can't get enough of that diamond in the rough
I can't get enough of your diamond in the rough
