

# Never Been Rocked Like This

Airbourne

Oh yeah  
Come on!

Our skins lay upon the floor  
We've made it before we make it through the door  
She's got a monster appetite  
You keep me hot through the cold night

All out of air, but I just don't care, 'cause  
I've never been rocked like this (rocked like this)  
No, I've never been rocked like this (rocked like this)  
No, I've never been  
Rocked like this

You make me forget my past  
There's no way I could ever go back  
My heart explodes in my chest  
I've had the best, now I want the rest

All out of air, but I just don't care, 'cause  
I've never been rocked like this (rocked like this)  
No, I've never been rocked like this (rocked like this)  
No, I've never been

Never been  
Rocked like this

Oh, come on

'Cause I've never been rocked like this (rocked like this)  
No, I've never been rocked like this (rocked like this)  
No, I've never been rocked like this (rocked like this)  
No, I've never been rocked like this (rocked like this)  
No, I've never been  
Rocked like this  
Rocked like this  
Rocked like this  
Never been rocked like this  
Never been rocked like this  
No, I've never been rocked like this
