

# Switchblade Angel

Airbourne

Tossin' and turnin' man, I can't sleep  
Little Texas sugar got me into deep  
Whole lotta naughty not a one bit nice  
Don't take her home to mumma, take her home for the night

I said switchblade angel  
Gonna cut ya  
Switchblade angel  
Switchblade angel  
Ooh  
Switchblade angel

Scratchin' and a kickin' man, it feels so good  
Got me waking up the whole fuckin' neighborhood  
Cha-cha-cha-cherry red lips curve on her hips  
She got me wrapped around her little finger tip

I said switchblade angel  
Gonna cut ya  
Switchblade angel  
Gonna getcha  
Switchblade angel  
Ooh  
Switchblade angel  
Watch out!

She gonna slice ya and dice ya!

She gonna twist and turn the blade!

Switchblade angel  
Gonna getcha  
Switchblade angel  
Gonna cut ya  
Switchblade angel  
Switchblade angel  
Gonna getcha  
Switchblade angel  
Switchblade angel  
Switchblade angel
