Disintegration. Well it's a collapse of communication, or lack thereof.

Yo, it ain't a nation if you got no war to back it up. We've got in mind to come and kill your celebration.

Hate of a nation. Head of the nation. A nation.

You gotta die for what you love. And now die for what you love best.

Head of a nation. Hate of the nation. A nation.

Fuck all deserters we'll leave non-believers to rest.

If you want a riot we'll give you a riot.

You gotta die for what you love best.

Come on die for what you love.

Hate of a nation. Head of the nation. A nation.
