

## Flowers Of Love

Airfare

Spring up from the ground beneath you.  
Those shades of light hidden from view.  
They don't make a sound. They'll never be found.  
The flowers within you.  
Flowers of love are in bloom.  
The flowers of love are in view.  
The flowers of love. The flowers of love.  
The flowers of love continue.  
Erase space & time. Divide holy lies.  
In the confine of your mind you will forever find...  
Erase space & time. Divide holy lies.  
In the fortress of your mind you will forever find...  
Flowers of love are in bloom.  
The flowers of love within you.  
The flowers of love.  
The flowers of love.  
Flowers of love continue.  
Erase space & time. Divide holy lies.  
In the fortress of your mind you will forever find...love
