

Sugarcube

Airfare

I know how to act
Around women
They loved it when i asked
All my questions

Like where're you're from
Where did you come from, honey
What's all that you're saying
What's that game you're playing on me
They don't ever wanna say
Nothing ever comes along

And I know how to act
Around your lady, my friend
She loved it when i asked
All my questions

Like where're you're from
Where did you come from, honey
What's all that you're saying
What's that game you're playing on me
They don't ever wanna say
Nothing ever comes along

And I will ride upon your chain
my sugar all the way on now

And all I got for you
my princess is a sugarcube
won't never do
what you wanna do

And all I got for you
my princess is a sugarcube
won't never do at all

I know how to act
Around your lady
She loved it when i asked
Oh so sweetly

Oh Can I go with you
Kind of place to go
Can I stay with you
Inside your home

They don't ever wanna say
Nothing ever comes along

And I will ride upon your chain
my sugar all the way on now

I don't know
No, no, no, I don't know
I don't think that's a good idea
My son
and I think you better go

I don't know
No, no, no, I don't know
I don't think that's a good idea
I don't think that's a good idea
At all
