

Twin Snake

Airfare

Get on the night train. Have you got your ticket, boy?
Is it in your wallet or have you lost your way?
You see, my lady, I don't think you know me as well as you ought to be mouthing off.
You snake. In your place.
Twin snake
Was it in the first part? Where did you lose the steam that took you so far. Well I'ma wait and I'ma take you for the ride of your life.
You see, my lady, I don't think you know me as well as you ought to be mouthin' off.
You snake in your cage.
Twin snake.
