

Boundaries

Aisha Badru

I'd rather be alone
Spend the weekend at home
Turn off my phone
Light some sage, run a bath
Make some tea and relax
Silence at last

I've been feeling overstimulated
This non-stop pace is so overrated
I need some time to myself
Prioritize my health
I wish you well

But, I'd rather be alone
Spend the weekend at home
Turn off my phone
Light some sage, run a bath
Make some tea and relax
Silence at last

I've been feeling unappreciated
My energy is slowly degrading
I need some time to unwind
Get in touch with the divine
Quiet my mind

Yeah, yeah, yeah

I'd rather be alone (ahh, ahh)
I'd rather be alone (ahh, ahh)
