

## The Sun Still Rises

Aisha Badru

The sun still rises in the morning  
The air is clear, the day is new  
It doesn't care the I'm in mourning  
It doesn't know I'm missing you

Inside my heart there was an earthquake  
Everything I knew fell away  
As I was stranded digging my grave  
The birds were singing anyway

And the sky was a magnificent blue  
The water sparkled, the flowers bloomed  
I thought I'd fall apart for you  
But if the sun still rises then I will too

If the sun still rises then I will too
