

Baby

Aitch

(Oh, baby
Oh, baby
I just want to love you, baby
Always thinking of you, baby)

You know I got it baby, what do you want? (Oh, baby)
You know I got it baby, what do you need? (Oh, baby)
She like ("I just want to love you, baby")
She say ("Always thinking of you, baby")

(Oh, baby
Oh, baby)
She like ("I just want to love you, baby")
She like ("Always thinking of you, baby")

Yeah, You know I got it baby, what do you want? (Oh, baby)
You know I got it baby, what do you need? (Oh, baby)
She like ("I just want to love you, baby")
She like ("Always thinking of you, baby")

Yeah, yo
I don't only love her for the sex (Oh, baby)
But I swear to God, I love it when she says (Oh, baby)
She know that she fucking with the best
Thinking she an angel till I put her on the bed (Ha)
Gotta chase this money baby, nuttin to be said (Oh, baby)
I ain't having no distractions when I'm running up a cheque (Oh, baby)
Every time I leave the crib, I got you looking at me stressed
But as soon as I'm home ("Oh, baby, I'm tired as fuck")

Yeah
Face down, ass up, cock it right back
Baby, how you not a model with a body like that? (Oh baby)
Oh, God, when she top me, she the top of my class
When we fuck, I'mma copyright that (That's mine)
I be on a vibe
Money to the side, I'm just tryna live my life
I can't even leave without her giving me the eyes
Babe, it ain't my fault, I gotta focus on what's mine
Take it easy, give me time (Yo, Aitch)
Yeah

You know I got it baby, what do you want? (Oh, baby)
You know I got it baby, what do you need? (Oh, baby)
She like ("I just want to love you, baby")
She like ("Always thinking of you, baby")
Yeah, you know I got baby, what do you want? (Oh, baby)
You can have it if you rolling with me (Oh, baby)
She like ("I just want to love you, baby")
She like ("Always thinking of you, baby") (Yeah, yeah)

She want kids, I want cribs in the sticks
Girl boujee, she ain't tryna wait till Christmas for gifts (No)
If I left would she miss me a bit?
Is she riding my wave? Is she sinking my ship? (No way)
Tough love, yeah, it literally is
And I know you get pissed when you're thinking of it

But we can still get that bling on your wrist
She like ("Oh, baby, I'm tired as fuck")

Yeah, yo
Now I'm zoned out start to go mental
I can't mix my love with my schedule (No way)
Always asking me why I'm never home, I just said I gotta push my potential
Wake up looking sexy and she stunning when she pose
Close to perfect when she naked and she curvy in the clothes
Get the Lamborghini white, I paint the urus like her toes
Ain't no other brudda got her this certi and she knows (Yo, Aitch)

You know I got it baby, what do you want? (Oh, baby)
You know I got it baby, what do you need? (Oh, baby)
She like ("I just want to love you, baby")
She like ("Always thinking of you, baby")
Yeah, you know I got baby, what do you want? (Oh, baby)
You can have it if you rolling with me (Oh, baby)
She like ("I just want to love you, baby")
She like ("Always thinking of you, baby")

Can you rock with me? (Oh, baby)
No stoppin' me, can you take it to the top with me? (Oh, no)
I just want to love you, baby (I wanna love you, baby)
Always thinking of you, baby (Thinking' of you)
Can you roll with me? (Ooh, baby)
All over me, can you take control of me?
(She say) "I just want to love you, baby"
(She say) "Always thinking of you, baby" (Yeah)

Can you roll with me? (Oh, baby)
All over me, can you take control of me? (Yeah)
I just want to love you, baby (Love you)
Always thinking of you, baby
