

Hold It Down

Aitch

(Hold it down
Hold it down, boy
Hold it down
Hold it down, boy
Hold it down)
If an MC trys it, keep it calm and (Hold it down, boy)
Got the game locked up in the palm, that's 'cause I (Hold it down)
And if man wanna hate, get your mind set straight and (Hold it down, boy)

(Hold it down)
If an MC trys it, keep it calm and (Hold it down, boy)
Got the game locked up in the palm, that's 'cause I (Hold it down)
And if man wanna hate, get your mind set straight and (Hold it down, boy)
Yeah, hold it down

Yo, hold it down
Man best know that I'm rolling around in the north of the town taking all of
the pounds
All them hoes wanna talk to me now
All my bros-dem walk with a crown
I'ma King on the mic, I ain't never been a clown
Haters wanna see Aitch fall down but I'm still goin' up, what you talking ab
out? (Dickhead)
(Yeah) I just skip wid it, sick lyrics
Fuck out my face, don't pay me a visit
Prick, bin it
Piff, bill it

Bitch, lick it
Clip finished (Baow)

If an MC trys it, keep it calm and (Hold it down, boy)

Yo, down it, hold, reverse it round 'cause I can, I'm cold
I don't wanna hear 'bout "Aitch can't spit 'cause he's white" 'cause I swear
, that's more than old
Can't take shots at a man that's shooting, when I say "Shots", I'm scoring g
oals
Them man there sat bored on road, I'm plotting and planning 'bout
Touring globes
(Hold it) down, to the ground and keep it there
Bury MC's to the point where I won't stop digging his grave 'til the priest
is there
Pick up the mic, start d-d-duppying, end his career and leave it there
About "Aitch don't fit in the scene" (What?) I can't believe this breh

If an MC trys it, keep it calm and (Hold it down, boy)
Got the game locked up in the palm, that's 'cause I (Hold it down)
And if man wanna hate, get your mind set straight and (Hold it down, boy)
Yeah, hold it down

It's like sometimes I wanna write tunes everyday
And sometimes I wanna lay in bed for a week
Sometimes I think I'm sick when I'm pissed
But to be truthful, I'm a mess on the beat
More time when I ring Pezmo he just says "2, 2's g, I got the messiest beat"
And more time when I ring my man's girl she tells me to come hers for the me
ssiest beat (Hahaha)
Yeah, it's like mans just 1,2 step then bopping
Bored of my gal [?] start swapping
Chewing off ear so her [?] not stopping
Them gyal doing too much cock blocking, someone tell her "Hold it down"
Peng brunette said she wanna go shopping, I was just following, zoned out, w
atching
(Hold it down)

If an MC trys it, keep it calm and (Hold it down, boy)
Got the game locked up in the palm, that's 'cause I (Hold it down)
And if man wanna hate, get your mind set straight and (Hold it down, boy)
Yeah, hold it down

If an MC trys it, keep it calm and
Got the game locked up in the palm, that's 'cause I
And if man wanna hate, get your mind set straight and
Yeah, hold it down
