

## Almost over You

Aiza Segueria

I saw an old friend of ours today  
She asked about you, I didn't quite know what to say  
Heard you've been making the rounds 'round here  
While I've been trying to make tears disappear

Now I'm almost over you  
I've almost shook these blues  
So when you come back around  
After painting the town  
You'll see I'm almost over you

You're such a sly one with your cold, cold heart  
Maybe leaving came easy, but it tore me apart  
Time heals all wounds, they say, and I should know  
'Cause it seems like forever, but I'm letting you go

Now I'm almost over you  
I've almost shook these blues  
So when you come back around  
After painting the town  
You'll see I'm almost over you

I can forgive you and soon I'll forget all my shattered dreams  
Although you left me with nothing to show, full of misery

Now I'm almost over you  
I've almost shook these blues  
So when you come back around  
After painting the town  
You'll see I'm almost over you

When you come back around  
After painting the town  
You'll see I'm almost over you
