

Persistent Rain

Aiza Seguerra

How can I move on? Make my life go on
And forget the mem'ries that we once had
I've tried to hide my tears and learn to face my fears
Accept the truth you're no longer here with me

I've walked a thousand miles to leave the pain
And pass the test of time, but again, the pain remain
Persistently again and again
Just liek the pouring rain
Oh... ho again and again
Persistent rain keeps coming back again

If I can turn back the hands of time
I'll do my best and hold your tight
Every moment spent, I'll cherish 'till the end
'Coz you're the only warmth that comforts me

Repeat Chrorus

And if our paths should cross again
Maybe then I'll be a friend
But ddep inside I'd cry
Pretending I'm alright
Co'z I'm moving on
But still I'm holding on ...

Repeat 2x
