

Echoes

AJ McLean

(I'm chasin' echoes, echoes, echoes)
(Yeah, I'm chasin' echoes, echoes, echoes)

I never used to mind spending time alone
But you changed something in me
Tell me myself I'm better on my own
But I'd be lyin' completely

I know I said I'm good last weekend
Now I'm so uneven, I, I
I've been facing my inner demons
Gets so hard to keep them out

I'm chasin' echoes of you
So close, but I always lose
I'm chasin' echoes of you
The ghost of you always moves

Yeah, I'm chasin' echoes, echoes, echoes
Yeah, I'm chasin' echoes, echoes, echoes
Echoes of you
I'm chasin' echoes, echoes, echoes
I'm chasin' echoes

Still smell your perfume down the hall
Your lipstick on the pillow, I can't ever let go
I still hear your voice through the wall
Walking in your shadow, it's a losing battle

Know I said I'm good last weekend
Now I'm so uneven, I, I
I've been facing my inner demons
Gets so hard to keep them out

I'm chasin' echoes of you
So close, but I always lose
I'm chasin' echoes of you
The ghost of you always moves

Yeah, I'm chasin' echoes, echoes, echoes (Echoes)
Yeah, I'm chasin' echoes (Echoes), echoes (Echoes), echoes (Echoes)
Echoes of you
I'm chasin' echoes, echoes, echoes
I'm chasin' echoes
