

Electric

AJ McLean

Electric
Electric
(You're so electric)
Electric

I'm in my feelings
High on your energy
I'm lucid dreaming
But I can't sleep
Feet on the ceiling
You flipped the world on me
One single kiss and
You set me free (set me free)

Gimme that right
Feeling tonight
Come on and set this room on fire
Even a touch
Is it enough?
For you to make feel
Electric

You turn me on
You turn me on
(You turn me on)
An on and on
Electric

You turn me on
You turn me on
(You're so electric)
An on and on
Electric

Stuck in your static
That place that makes me whole
I gotta have it
I won't let go
It's automatic
It's classic
Every time I give it to you
We make that magic
And lose control

Gimme that right
Feeling tonight
Come on and set this room on fire
Even a touch
Is it enough?
For you to make feel
Electric

You turn me on
(Oh)
(Yeah)
You turn me on
(You're so electric)

An on and on
(Turn me on)
Electric

You turn me on
(Oh yeah)
(Yeah)
(Yeah yeah)
You turn me on
(You are so electric)
An on and on
(You're so electric)
Electric

You turn me on
(Yeah yeah)
(Turn me on)
You turn me on
(Oh you turn me on)
And on and on
Electric

You turn me on
(You turn me on baby)
(Turning me on)
(You turn me on girl)
You turn me on
(You're so electric)
An on and on
Electric

You are so electric baby

And on and on (so electric baby)
