

Foolish

AJ Mitchell

I shoulda known by now
So I hold the blame
I walked in expecting that I'd walk out just the same
And when I look back
Moments that we made
They were more than beautiful, if only I could change

Am I foolish for thinking that
I could run right through the fire and not get burned?
I don't ever learn
If I'm stupid for thinking that
I could live right in your arms and not get hurt
I don't ever learn

Ah, ah
Am I foolish for thinking that I
I won't get burned?
Ah
Am I foolish for thinking that I'll (Oh)

Just go on my way
Like I don't feel a thing?
Too bad it don't work like that
I'll never be the same
But when I look back
Yesterday was as far as I can go
I shoulda known

Am I foolish for thinking that
I could run right through the fire and not get burned?
I don't ever learn
If I'm stupid for thinking that
I could live right in your arms and not get hurt
I don't ever learn

Ah, ah
Am I foolish for thinking that I
I won't get burned?
Ah
Am I foolish for thinking that I
I won't get burned?

You led me right to the fire
And you watched me, just watched me burn
You led me right to the fire
And you watched me, just watched me burn

Ah
Am I foolish for thinking that I
I won't get burned?
Ah
Am I foolish for thinking that I (Oh)
I won't get burned?
