

I Choose You

AJ Mitchell

If you dye your hair then I would dye mine too
I wanna show the whole world I belong to you
I'd fly to outer space and bring you back the moon
There's not a single thing on earth I wouldn't do (Yeah, yeah, yeah)

'Cause you bring sunshine through the rain
You are my destination, I'm on my way
If I could do it all again
Baby, you know I wouldn't change a thing
I choose you, I choose you
Every single time that's what I'll do
I choose you

If we run into our exes they'd be jealous fools
Make 'em wish for just a second they were in these shoes
If you were flower I'd pick a bunch of you
You're a masterpiece, I mean what a view (Yeah, yeah, yeah)

'Cause you bring sunshine through the rain
You are my destination, I'm on my way
If I could do it all again
Baby, you know I wouldn't change a thing
I choose you, I choose you
Every single time that's what I'll do (Time)
I choose you

I choose you
I choose you, I choose you
