

# Miss You

AJ Mitchell

I remember on my birthday  
You always sang it wrong  
Buy a cake you said was homemade  
Open presents on the lawn

I remember I was thirteen  
And I stole my sister's car  
I thought my life was over  
But you let me get this far

I hate to think about it  
But my parents they ain't getting any younger  
I can't ignore the truth  
That everyday that passes by  
It's hard to have to realize they're numbered  
As much as I don't want to

I know one day  
I'll have to face  
You won't be there  
But I don't wanna I don't wanna I don't wanna  
Miss you  
Everytime I close my eyes  
It's just not fair  
Cause I don't wanna I don't wanna I don't wanna  
Miss you yet  
You yet  
You yet  
Cause I don't wanna I don't wanna I don't wanna  
Miss

The way you'd leave the light on  
Stay awake till I get home  
Yeah I'm always causing trouble  
But you'd always let me know  
It's just hard to imagine  
A world without you there  
Who's gonna leave a light on?  
Who will be waiting by the stairs?

I hate to think about it  
But my parents they ain't getting any younger  
As much as I don't want to

I know one day  
I'll have to face  
You won't be there  
But I don't wanna I don't wanna I don't wanna  
Miss you  
Everytime I close my eyes  
It's just not fair  
Cause I don't wanna I don't wanna I don't wanna  
Miss you yet (you yet)  
You yet (you yet)  
You yet (you yet)  
Cause I don't wanna I don't wanna I don't wanna  
Miss you yet
