

Stop

AJ Mitchell

Aye
Out of patience
Tired of waiting all night long
Why are we hesitating?
Maybe we could move it on

So rock your body
No need to say sorry
Baby, it's our party tonight
Yeah, we're just getting started
So keep your eyes on me
Baby, you've got a fire inside
Aye

I don't wanna, I don't wanna, I don't wanna, I don't wanna stop
Baby, it's our time
Don't you wanna, don't you wanna, don't you wanna be on top?
'Cause we own the night
And I don't wanna, I don't wanna, I don't wanna dance alone
'Cause, baby, you know
That I don't wanna, I don't wanna, I don't wanna, I don't wanna stop

Ah ah, ah ah, ah ah ah ah ah
Ah ah ah, ah ah, ah ah ah ah ah

Why are we rushing?
Maybe we could take our time
My arms are open
Even if the sun comes up
Yeah, I don't wanna lose this feeling 'cause

I don't wanna, I don't wanna, I don't wanna, I don't wanna stop
Baby, it's our time
Don't you wanna, don't you wanna, don't you wanna be on top?
'Cause we own the night
And I don't wanna, I don't wanna, I don't wanna dance alone
'Cause, baby, you know
That I don't wanna, I don't wanna, I don't wanna, I don't wanna stop

Ah ah, ah ah, ah ah ah ah ah
Ah ah ah, ah ah, ah ah ah ah ah
Stop
Ah ah, ah ah, ah ah ah ah ah
Ah ah ah, ah ah, ah ah ah ah ah

So rock your body
No need to say sorry
Baby, it's our party tonight
We're just getting started
So keep your eyes on me
Baby, you've got a fire inside

I don't wanna, I don't wanna, I don't wanna, I don't wanna stop
Baby, it's our time
Don't you wanna, don't you wanna, don't you wanna be on top?
'Cause we own the night
And I don't wanna, I don't wanna, I don't wanna dance alone

'Cause, baby, you know

That I don't wanna, I don't wanna, I don't wanna, I don't wanna stop

Ah ah, ah ah, ah ah ah ah ah

Ah ah ah, ah ah, ah ah ah ah ah

Stop

Ah ah, ah ah, ah ah ah ah ah

Ah ah ah, ah ah, ah ah ah ah ah
