Unstoppable

AJ Mitchell

Unstoppable
Unstoppable

Hey
Ride or die, let it run
You're the gun, suicide
Fantasy, come alive
Enemies, step aside
Where you've been, all my life?
You're the wrong, you're the right
Gettin' wild, you make me crazy, got me saying

Things I never say, I'd die for you
Your getaway, your getaway
You get away, I can't get away
Ooh woah

Momma always said don't fall in love with girls like you (Girls like you)
But you hit me like a freight train, got me breakin' all the rules (I don't even care)
Girl you knocked me down like a domino
Girl, you're so unstoppable
I can't keep my hands away
Unstoppable (Woah)

Girl, you're unstoppable (Unstoppable)
Girl, you're unstoppable
Unstoppable, woah-oh
Unstoppable, woah-oh
Girl, you're so unstoppable

Purify, never learn
Take a bite, let it burn
Feel the love, feel the pain
Kill the sun, make it rain
Girl, you're bad for my health, yeah
I don't need no one else (Nobody else)
No, it ain't right or wrong, if it's what I want
'Cause you got me saying

Things I never say (Alright), I'd die for you
Your getaway (Away), your getaway
You get away, I can't get away
Ooh woah (Hey)

Momma always said don't fall in love with girls like you (Girls like you)
But you hit me like a freight train, got me breakin' all the rules (You got me breakin' all the rules)
Girl you knocked me down like a domino
Girl, you're so unstoppable
I can't keep my hands away
Unstoppable

I can't keep my hands away
I can't keep my hands away
Ooh woah, unstoppable
Ooh woah, unstoppable

Sorry momma for all the lies (For all the lies)
You know I hate to make you cry (Hate to make you cry)
But I can't change the way that I feel (No)
Oh she knocked me down like a domino
Girl, you're so unstoppable
She gon' be the death of me
Unstoppable

I can't keep my hands away
I can't, I can't keep my hands away (I can't keep my hands away)
I can't, I can't,
Woah oh, unstoppable (Oh babe, yeah)
Woah-oh, unstoppable (You're unstoppable)

Woah-oh, unstoppable (Unstoppable)
Woah-oh, unstoppable
Woah-oh, unstoppable
Woah-oh, unstoppable
