

## Brand New

AJ Rafael

Pretty sure I had a dream  
That you woke up here by my side  
Not sure what had happened, but I know  
When I'm with you, I'm alright

I know that you're from far away  
And I know it will takes some time  
Can we live in this moment cause I know  
Don't want to say our goodbyes  
Cause I feel so...  
So

Brand new  
I feel so brand new  
With you I'm brand new  
Girl you knock me off my shoes  
I feel so brand new  
I feel so brand new  
With you I'm brand new  
Didn't think I'd fall for you  
Didn't think I'd fall for you

Cause they said that you were trouble  
I tell them I don't really care (I don't care)  
Cause you make all my sadness disappear  
I'm better with you, yes I swear (this I swear, I swear)

And I know that it's been so hard to deal with  
Only see you once in awhile, baby it's killing me  
But I need to hear that you're down to take care of  
Take a chance on me

I feel so brand new  
I feel so brand new  
With you I'm brand new  
Girl you knock me off my shoes  
I feel so brand new  
With you I'm brand new  
I feel so brand new  
Didn't think I'd fall for you  
Didn't think I'd fall for you

(Ahhhhh... Ahhhh)

I feel so brand new  
When I am with you baby  
I feel so brand new  
When I am with you baby  
I feel so brand new  
When I am with you baby  
I feel so brand new  
When I am with you baby
