

Like Me

AJ Rafael

I've never clicked so fast with anyone
It's been a while since I've had this much fun
So hey, would you go out with me?
I've never had to look down at my phone
As much as I have lately I just don't
So please, would you go out with me?

'Cause I don't know how to handle
These three words and they go:
I like you, do you like me?

It's hard to tell so could I get a sign
Is this more than movies and red wine
So please, would you just let me know
I've been around this game for way too long
But I still don't know when my sense is wrong
So please, could you just let me know

'Cause I don't know how to handle
These three words and they go:
I like you, do you like me?
Oh and I don't know how to process
'Cause I did not expect this
I like you, do you like me?

It's been sometime and hey, we've really grown
It's easy to say you're the best I've known
So please, could I call you mine?

'Cause I don't know how to handle
These three words and they go
I love you, do you love me?

Oh, 'cause I love you, do you love me too?
I love you, do you love me?
